

Social Report for 24.02.2020 Committee Meeting

- Xmas skittles social was cancelled due to pub double booking us. Pub now closed! Many of us met up in town instead and a good night was had by all!
- 18.01.2020 Awards Dinner with Jo Pavey as speaker was held at St John's Place, Lower Bemerton. Feedback collected just after the event was generally very positive in terms of the venue, catering and speaker. A summary of the feedback is attached.
- It has been agreed that the Awards be moved to September to coincide with the end of the various league events. I plan to book the same venue and caterers, if available, for the 11th or 12th September.
- A Christmas 'party' event will be planned for December for those who were disappointed that there wasn't a disco at the awards.
- Pasta Party at the Duck is on 26th March. Cost £13. Over half of the 65 tickets have been sold already.
- Other suggestions for social events include a 'Gong Bath' and a karaoke night.
